COMING TO
DALLAS!

J Taylor Education presents
BUILDING DEPTH AND COMPLEXITY INTO THE DIFFERENTIATED CLASSROOM

Degan Elementary School, 1680 College Pkwy, Lewisville, TX 75077

8:30 a.m. - 3:30 p.m.

Featuring

★ **Ian Byrd** ★

and his coolest tips for using the *Depth and Complexity Framework tools!*

- Integrate the Depth and Complexity dimensions/icons into instruction.
- Leave with several practical ways to use Depth and Complexity immediately in your classroom.
- Layer and align Depth and Complexity tools to the TEKS to increase challenge and rigor for all students, including your advanced/GT population.
- Empower students to be independent thinkers and creative problem solvers.
- Inspire students to apply knowledge similar to disciplinarians and professionals.
- Bridge the gap between simply talking about increased rigor and actually designing interdisciplinary lessons that necessitate challenging, real-world learning experiences.
